- Stay home for 5 days. Monitor symptoms.
- Return to school on day 6 if asymptomatic or symptoms are resolving. You MUST wear a mask at all times through day 10.
- Extra-curriculars: You can return to extra-curriculars on day 6 if asymptomatic or symptoms are resolving. You MUST wear a mask at all times through day 10.

Be Respectful. Be Kind. Be A Brickie.

Handwashing

Handwashing is one of the best ways to protect yourself and your family from getting sick. Learn when and how you should wash your hands to stay healthy!

KNOW WHEN TO WASH YOUR HANDS

- AFTER COUGHING, SNEEZING, OR BLOWING YOUR NOSE
- WHEN YOUR HANDS LOOK DIRTY
- AFTER TOUCHING ANIMALS OR THEIR CAGES
- BEFORE EATING
- AFTER PLAYING OUTSIDE
- AFTER USING THE BATHROOM

Health Conditions- If your student has a specific health condition or needs special care during the school day such as medication, treatments, or monitoring, please inform your school nurse and provide your nurse with a care plan. Individual health care plans help keep your student safe and healthy.

Head Lice- If that time of year where our students break out their coats, scarves and hats. Please encourage your child not to share such items as hats, scarves, brushes or any personal items. Lice is not a danger to your child's health, it is simply an annoying problem that comes around this time of year, so no need to panic. Please know that anyone and everyone can get lice. Getting lice has nothing to do with you being clean or dirty, it only has to do with the fact that you are human. It is very important to check your family for lice this time of year regularly. If you find any live lice or eggs, it is absolutely necessary to treat each "infected" person, but more importantly, you must notify the school so that we can effectively and confidentially assist you with monitoring. The school nurse can assist you with proper treatment options as well as identify and demonstrate for you what to do.

Clothing- Please make sure your student has an extra change of clothing in his/her backpack incase needed for unseen circumstances that may arise during the school day.

If you have any questions, please call your school nurse or visit our school web page at <http://www.hobart.k12.in.us> for more information on student health, school forms, and other helpful links
