

## Ridge View's

### Teaching and Learning Action Plan #4: Career

**Improvement Goal:**

All students will demonstrate the skills and knowledge necessary for managing the dual role of productive and successful community member and wage earner by gaining employment in a career or by continuing education at the post-secondary level.

**Expectation(s) for Student Learning:**

All students will develop career awareness through interaction with community workers.

All students will have the opportunity to complete requirements for Core 40, Academic Honors Diploma, or Technical Diploma.

**Target Participants:**

All students at Ridge View Elementary

**Interventions:**

All students will participate in career awareness. All students will participate in career exploration.

Community, parents, and guardians will help students develop career education knowledge. Students will participate in small learning communities and career pathways.

Community groups will collaborate with Ridge View Elementary to support student learning. Students will participate in after-school clubs and extra-curricular activities.

**Evaluation:**

Inventory of School Effectiveness

Classroom Participation in Career Awareness Activities

Learn More Survey

Gallup Survey

Indiana Youth Survey

**Timeframe for Implementation:**

2017-2021
