

# Journeys Think Central Online Access Cheat Sheet

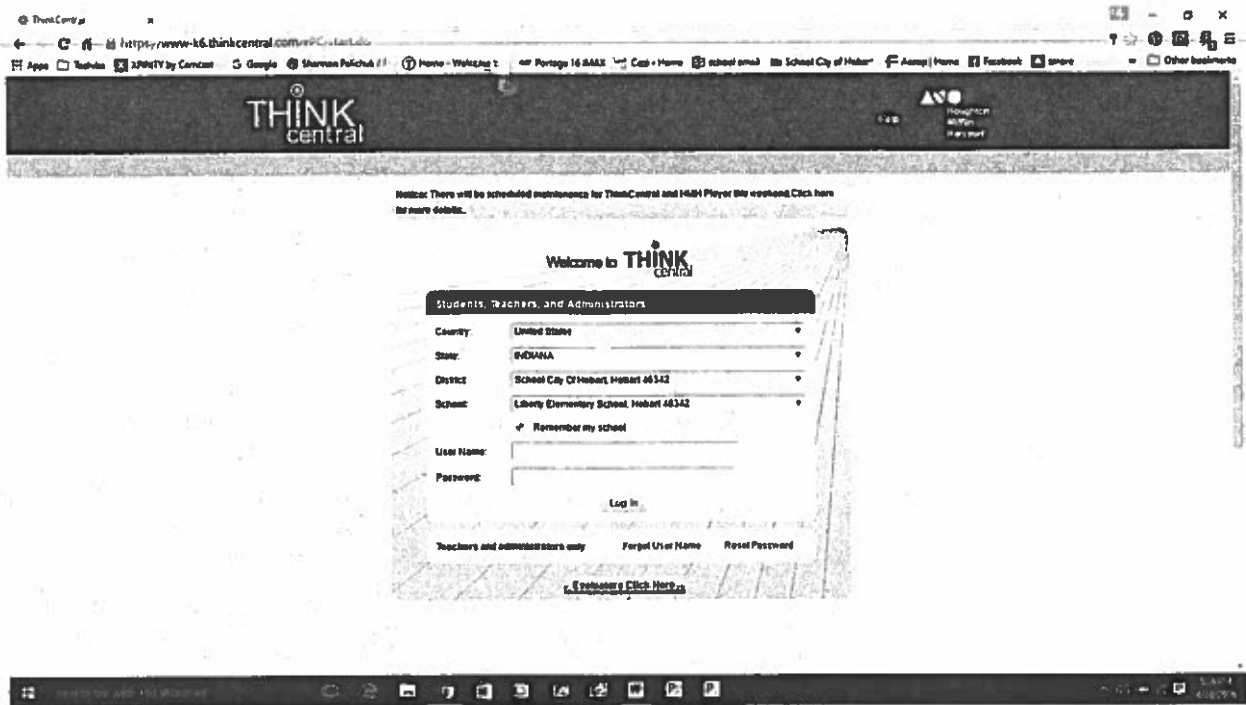

There are three menu options on your child's home screen:

"Things to Do" gives your child access to any activities I assign. I will not assign work for your child to complete at home, so this is an option we may use in the classroom.

"My Library" is the section your child will use most. Here, your child can find our weekly stories and leveled readers we use in reading groups. If your child is reading a leveled reader from our program, I'll send home a note to let you know exactly which title to search!

"My Scores" gives you access to any Journeys tests your child would take online. At this time, I am NOT testing children weekly online. I prefer paper copies of tests so you can see your child's performance in detail.

# Journeys Think Central Online Access Cheat Sheet

Think Central is your child's online access to our Journeys Reading Program! To log in, follow these steps:

1. Select your country.
2. Select your state.
3. Select your district: School City of Hobart
4. Select your School: Liberty Elementary.
5. **Check box to "Remember my school"** so you won't have to repeat the first four steps next time!
6. Enter your child's username & password (see cheat sheet on green folder)
