

Know the Indiana Department of Health Protocol for Isolation and Quarantine: No Masks

If student tests positive: Positive is positive, regardless of masking or vaccination status

- Stay home for 5 days
- Return to school Day 6 if asymptomatic or symptoms are resolving and continue to mask Day 6-10 in classroom (if unable to mask properly at all times around other people, must remain isolated at home for full 10 days)Symptoms must be resolving/improving, and student must be fever-free for 24 hours without medication.
- "At all times" includes outdoors if around other people
- May resume extracurricular activities on Day 6 if able to wear a mask properly at all times for Days 6-10, above conditions are met and cleared by physician(<https://www.aap.org/en/pages/2019-novel-coronavirus-covid-19-infections/clinical-guidance/covid-19-interim-guidance-return-to-sports/>)

If student is exposed to someone with COVID-19 in or outside the classroom, including home contacts and extra-curriculars:

- *If fully vaccinated*(get students boosted as soon as they are eligible)May remain in school as long as continue to be asymptomatic.
- Wear a mask at all times in classroom for at least 10 days (quarantine ends 10 days after the last day of exposure to the positive case), test on Day 5 if possible.
- May continue extracurricular activities; masking at all times. Unmask only when actively playing or performing.
- If symptoms develop, get a test and stay home. If positive, follow isolation guidance. If test is negative, return to school when symptoms have resolved.

If student is exposed to someone with COVID-19 in or outside the classroom, including home contacts and extra-curriculars continued:

**If unvaccinated or partially vaccinated:*

- Stay home for 5 days after the last day of exposure to the positive case; test on Day 5 if possible.
- Return to class on Day 6 if asymptomatic, wear a mask at all times in classroom for at least 5 days (quarantine ends 10 days after the last day of exposure to the positive case).
- No extracurricular activities for 5 days of home quarantine. May resume Day 6 only if able to wear a mask at all times (including while actively performing or playing during your activity) for Days 6-10.If you cannot safely mask, do not participate in the extra-curricular activity. Remember, at all times includes outdoors when around others.
- If symptoms develop, get a test and stay home. If positive, follow isolation guidance. If test is negative, return to school when symptoms have resolved.

Enhanced precautions for those returning to school prior to full 10-day (day 6) quarantine or isolation during the school day

- Masked at all times (except when eating/drinking)
- Maintain at least 3 feet of distance between the individual returning early from quarantine and others when in the classroom.
- At least 6 feet of separation between individual returning early and others when eating or drinking
- Masked at all times on bus no exceptions. Reminder, this is a federal requirement.
- Continue all other mitigation strategies
- Symptom monitoring daily by parents, as needed by school staff, during the school day.
- If ANY signs or symptoms are identified while at home, student/teacher/staff should NOT come to school and should seek a COVID test.
- If symptoms develop during the school day, individual should be sent home as soon as possible to get a COVID test. If COVID test is positive, follow isolation guidance.
- If COVID test is negative, individual should remain home until they meet the criteria to return. Continue to wear a mask for at least 10 days and follow quarantine guidance if a close contact.
