Brickie Kidz is...

- A fun, friendly, caring, and creative environment where your child can play and learn.
- Taught by dedicated, experienced and qualified staff, along with energetic, creative and hardworking high school students.
- Inclusive—all children are valued as individuals.
- Happy, confident children who are ready to learn.
- Children who learn through play and hands on exposure.
- Where we use all of our resources to provide a unique learning experience.
- A great place to be!

Communication

Education is a partnership between home and school. We value parent involvement and encourage you to partner with us. In order for this partnership to be effective, we need to be able to communicate.

Please feel free to call, write a note, or email us if you have concerns or questions about your child's education. We are always available to schedule a conference to discuss any issue or concern you have regarding your child.
