

THE SCHOOL CITY OF HOBART IS MOVING FORWARD....

# BRICKIE FORWARD

Top 5!

## #1

THE SCHOOL CITY OF HOBART (SCOH) WILL IMPLEMENT THE FOLLOWING GUIDELINES: MASKS ARE REQUIRED FOR EVERYONE, REGARDLESS OF VACCINATION STATUS.

- Masks are **REQUIRED** for everyone, regardless of vaccination status.
- Masks are required on buses by all people per federal mandate.
- In areas of substantial or high transmission, wearing a mask in public outdoor settings is recommended, not required at this time.

Close contacts who are masked do not need to quarantine, but should continue to monitor daily for symptoms and report them to the school nurse.

SCOH will monitor community spread data of COVID which will guide changes for masking and follow guidelines required by governmental authorities.

## #2 KNOW THE SYMPTOMS!

- Temperature 100.4 degrees Fahrenheit or higher when taken by mouth.
- Sore throat
- New uncontrolled cough that causes difficulty breathing (for students with chronic allergic/asthmatic cough, a change in their cough from baseline)
- Diarrhea, vomiting, or abdominal pain
- New onset of severe headache, especially with a fever.

## #3 SELF-SCREEN & COMMUNICATE WITH THE SCHOOL

- In Skyward, parents need to report the conditions when calling off a child.
- Parents will utilize the Absence Requests section in Skyward.
- Parents will have options to select the symptom(s) a child is exhibiting or have an opportunity to explain such symptoms as they relate to a known medical condition.
- Contact the SCOH nurse if there are COVID symptoms at [nurse@hobart.k12.in.us](mailto:nurse@hobart.k12.in.us).

## #4 PRACTICE GOOD HYGIENE

Teach the importance of not touching your face. Teach and reinforce good hygiene practices like hand washing, using hand sanitizer, covering sneezes/coughs, and keeping one's hands to them self. Teach the proper storage of a mask in case it is needed.

## #5
