Dear Brickie Families,

On behalf of the Board of School Trustees and Administration, welcome to the 2021-2022 school year! School begins for students on Wednesday, August 18th. We are looking forward to an exciting new school year! We cannot wait to see our Brickies!

The pride and tradition in being a Brickie is rich! There is such a sense of community in how we rally behind our mission and that oh so famous motto we teach every student to know and do.

All My Life I Want to Be a Brickie! Work! Work! Work!

The investment in Every Student, Every Day has profound impact on delivering Success for All Students! The following Early College and Career credits were achieved by our Brickies in 2021:

- ✓ 795 students receiving Early College Credits
- ✓ Total Early College Credits earned: 7299
- ✓ Total projected money saved: \$1,091,565.45
- ✓ We had our second cohort of students (23) completing the Indiana College Core, which is a 30-credit sequence that will transfer to public universities in Indiana as one year of college.
- ✓ We had 24 seniors who earned their Associate's Degree this school year, which means they will leave Hobart High School with both a high school diploma AND a two-year college degree. For the first time ever, we have a student earning their Associate's in Medical Assisting and another student earning their Associate's in Energy Technology.
- ✓ We had 8 students earning a Certificate or Technical Certificate in Business Administration, Energy Technology, Medical Assisting, CNA and Dementia Care, and Basic Emergency Medical Studies.

What accomplishments by our students! Be proud to be a Brickie!

The Brickie Forward 2021-22 for COVID and the return to school plan is on our website at <http://www.hobart.k12.in.us/brickieforward>. **You can also view a short video on COVID protocols on this page.** As always, we will adjust the plan according to community spread of COVID and the direction of the authorities if and when necessary! If you have any questions, please do not hesitate to ask.

The Brickie Network has all kinds of easy-to-find linked information to start the school year off right on our website at <http://www.hobart.k12.in.us/2021>.

We have a mindset for our students and what we do as educators! We know we have Brickies who have dreams! We are here to make them come true!

**We look forward to seeing our students and you!
Let's Go Bricks! Be a Brickie! Be Excellent on Purpose!**

Sincerely,
Peggy Buffington, Ph. D., Superintendent of Schools
