BRICKIE TIP #32: Gratitude - Three Things

A common gratitude practice is to list “three good things.”

As this school year winds down, let’s take that to the next level and make some unique “three things” lists by adding a new word in front of things.

Think about the last twenty-four hours of your life, and pick one of the “Three Things” below to fill out.

THREE LOL THINGS

THREE KIND THINGS

THREE EPIC THINGS

Want more variety? Make up your own lists! (For example, Three Unexpected Things or Three Peaceful Things.)

**A life full of good people is
a life full of gratitude!**
